Ref: AMERICAN INCOME LIFE INSURANCE COMPANY  
BLUE KNIGHTS GROUP POLICY--ACCIDENTAL DEATH AND DISMEMBERMENT POLICY  
(\$3,000.00 POLICY) **FREE** to All Members/Family Members  
and to All Office Employees

Passed by the Intl Board of Directors 19 July 2011

This policy is in effect immediately and covers ALL Blue Knight Members and Family Members of all Blue Knights (Worldwide) This means every country and every member.

Procedure of reported death:

1. Chapter officer (Preferably the President) contact Intl Office Executive director Bessie Small of the Death of the member/family member
2. Chapter officer to let family know that a death certificate needs to be sent to the Intl Office
3. The office staff will notify the Insurance company and also get the death certificate to the Insurance co.
4. Insurance company after proof of death is recorded will disperse a \$3000.00 check to the Intl Office
5. After receiving the check from the Insurance company, the office will notify the chapter officer of the check and the office will do as directed by the chapter officer/ mail check to family beneficiary / or to the chapter so the chapter can present it to the family. Your choice:

This is the preliminary set up and should work well for now

Note: Sometime in the next month or so ALL members will receive a mailing from the Insurance company about the insurance benefit. Their will be a card in the mailing for all to fill out if you wish. The card is very important to return but is your choice of course.

The card: If you mail the card back to the Ins co. your listed beneficiary will get the check upon a death  
If you Do Not mail the card back, a check will be issued to the estate of the deceased.

*Special Note: At the beginning of this venture to secure this plan for all we were going to have to select a member from each conference to co -ordinate all deaths and policies for their respective conferences worldwide. It must be noted that The International Office Executive Director Bessie Small after this Policy was passed by the Board in July took this task on herself and worked with the Insurance company so No member would have to do anything. Bessie will handle at the office when you notify her. So everyone please take a moment when you can to thank her for her devotion to us. Just One more item Bessie can add to her Job Description . Thank you Bessie and thank all of you for your help with this idea of a Insurance Policy for all of us that started with the RGC Chairman Ken Reeves.*

If any further updates are required we will get them out to you

Thank You
